Status of SSIs

3709. PROF. M. SANKARALINGAM: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) what is the status of the small scale industries in different parts of the country in terms of implementation of the schemes under his Ministry;

(b) the efforts made by his Ministry to encourage the small and medium industries; and

(c) the growth in the small scale industries during the past five years, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF SMALL SCALE INDUSTRIES (SHRI TAPAN SIKDAR): (a) to (c) Promotion and development of small scale industries is primarily the responsibility of the State Governments and Union Territories. The Central Government supplements the efforts of the State/UT Governments through various schemes/programmes relating to enhanced fiscal and credit support, better infrastructure, marketing facilities and incentives for technology upgradation. The Schmes/Programmes for the benefit of SSI sector are implemented uniformly throughout the country. Some of them are as under:—

(1) Tool Rooms provide training facilities in the field of tool design, dye making, etc.

(2) Central Footwear Training Institutes impart training on shoe design and related matters through CAD/CAM.

(3) Process-cum-Product Development Centres provide training and undertake product development.

(4) National institutes at three places impart training in the field of Entrepreneurial/Managerial Development Programmes.

(5) Under Integrated Infrastructural Development Schemes 62 projects are at various stages of implementation.

(6) Under Integrated Technology Upgradation and Management Programme, clusters of small scale industries are taken up for technology upgradation and other over all development.

(7) ISO-9000/14001 Certification Reimbursement Scheme provides reimbursement upto Rs. 75,000/- or 75% of the cost, whichever is more incurred by the units for obtaining requisite certification from the competent authority.

(8) Regional Testing Centres and Field Testing Stations provide testing facilities for BIS Standard of products.

(9) The Marketing Development Assistance Scheme has been launched to introduce appropriate packaging and bar-coding of products.

(10) Credit Guarantee Trust Fund has been set up to provide guarantee for collateral free credit facilities upto Rs. 25 lakh.

(11) Credit Linked Capital Subsidy Scheme launched to provide 12% of capital subsidy for upgradation of technology.

As a result of these efforts, the small scale sector accounts for 39% of industrial production, 34% in exports and has shown 4% growth rate in employment during the last decade in comparison to 0.5% in the organized sector. The estimated number of SSI units increased from 29.44 lakh (registered and unregistered) in 1997-98 to 34.42 lakh in 2001-02. The production of small scale units has increased from Rs. 411858 crore in 1996-97 to Rs. 690316 crore in 2001-02 in monetary terms. Similarly, employment in SSI sector increased from

167.20 lakh in 1997 to 192.23 lakh in 2001-02. The number of registered SSI units, State-wise, is given in the enclosed Statement, State-wise information in respect of production, exports and employment is not maintained centrally.

Statement

All India Cumulative Number of SSI Units (SIDO) Granted Permanent Registration by the State/UT Directorate of Industries

(Position as on 31.03.2002)
